INTRODUCTION

The Bay of Bengal Programme (BOBP) and the Bay of Bengal Programme Inter-Governmental Organization (BOBP-IGO) have together completed 30 years of service to small-scale fisheries in the Bay of Bengal region.

During this period, the Programme has brought out a variety of publications and promotional materials in both print and visual media. These include reports, newsletters, manuals, calendars, posters, comic books, video films and CD-ROMs.

The BOBP-IGO is mandated to provide technical, management and information services to member-countries. Copies of our publications are provided free of charge to governments and fisheries research institutions. Others have to pay a nominal cost as indicated in this price list.

Please use the order form on page 19 to get our publications, or visit the website www.bobopigo.org and make requests online.
